Carespring

Carespring creates communities where residents receive the care they need to be social, active, and involved. Carespring

offers communities in Northern Kentucky, Cincinnati and Dayton. Their belief is that if you need rehabilitation therapy, having a Carespring Transitional Care facility near your home, physicians, and hospital makes having your therapy more convenient and gives you peace of mind. For more information call 513-943-4000.

Cincinnati VA Medical Center

The Cincinnati VA Medical Center is a Polytrauma Support Clinic Teams (PSCT) site. Referrals come primarily by way of our OEF/OIF Post Deployment Clinic. Combat Veterans who served in Iraq and/or Afghanistan conflicts are screened for further assessment by our PSCT team for head injury due their experiences related to blast injury or by some other mechanism. We also serve other area Veterans who might have sustained a TBI by some other means (i.e., a fall, assault, or motor vehicle accident), not necessarily while in combat. For more information about Polytrauma/TBI programming, please call 513-861-3100, x6894.

Dynasplint Systems, Inc.

Our caregivers pass (with flying colors) the Mom test. Please call us for a free consultation at 859-283-5500.

St. Elizabeth Healthcare

Founded in 1861, St. Elizabeth Healthcare is one of the oldest, largest and most respected medical providers in the Greater Cincinnati region. With major facilities in Covington, Edgewood, Falmouth, Florence, Ft. Thomas, and Grant County - as well as dozens of smaller, specialized service locations - their presence spans four Northern Kentucky counties. Together, the medical professionals at all of these facilities are delivering the gold standard in healthcare every day. For additional information access: www.stelizabeth.com.

Sundance Enterprises

Sundance Enterprises Manufacturers Adult and Pediatric Fluidized positioners for pressure redistribution and off-loading. Fluidized positioners have the ability to 3-D contour to the body as they have no memory or ability to flow on their own. Unlike foam, air or gel they never push back against the skin. Sundance also manufactures heel protectors and turning systems incorporating the fluidized technology. All our products are manufactured in Indianapolis and Kentucky. Contact: David Spaulding at 502-445-4679 or david.spaulding@sundancesolutions.com.

Superior Van & Mobility

Superior Van & Mobility is celebrating its 37th year of providing wheelchair accessible vehicle modifications to customers in the Kentucky, Indiana, Tennessee, and Louisiana areas. We sell new and used vehicles that are modified to accommodate different styles of wheelchair and scooters and can also modify existing vehicles. With a fully stocked inventory and accessible showroom, we are able to fit the needs of each individual in a comfortable setting. Superior Van & Mobility also offers wheelchair accessible rental vans through Wheelchair Getaways. Contact: Cassy Churchill at 859-251-5199 or cchurchill@superiorvan.com.

TriHealth Thinkfirst Injury Prevention Program

TriHealth (Bethesda North and Good Samaritan Hospitals) is in the 27th year of providing the Think First Injury Prevention Program throughout the Tristate. Think First is a national injury prevention foundation with over 250 Chapters across the United States. Each year the Think First message reaches more than 20,000 local students, parents and community members throughout the TriState. For more information on Think First National Injury Prevention Foundation go to www.thinkfirst.org or www.trihealth.com (click on services, scroll to trauma services, injury prevention program) or contact Stephanie Lambers or Krista Jones, Program Coordinators at 513-865-1742.
