

Did You Know?

One in five households in the state are affected by brain injuries, which can occur after a fall, stroke, trauma, anoxia, infection, tumors or other illnesses.

Over half of brain injuries occur before the age of 21, and many could have been prevented.

The Brain Injury Alliance of Kentucky & BRIDGES support those who are affected by brain injury and tumors.

Join us for the NKY Brain Walk to raise awareness and fund our mission. Help us to continue to provide resources, support and advocate for those affected by brain injury.

To register, form a team and raise funds online, go to www.BIAK.us or mail this form to:

BRIDGES, Inc.
55 Edgewood Road
Edgewood, KY 41017

Sponsors to date:

Help us reach our goal of \$10,000.00 this year!
